The Forthright Foundation Encourages

Personal Advancement

PART 1

Part 1

Moving Forward As A Forthright Foundation

All are welcome! *All are included!*

Creating a better world
Is a BIG task
Is a BIG ask

This requires a high ambition coalition.
Not stubborn defiance, but mutual reliance.
Not as offender, but being a defender.
Not petulance, but by self-reliance.
Not impertinence, but by generous benevolence.
Not hostile division, but by sharing protection and solution.
Not combativeness, but creating inventive togetherness.
Not violation, but by moral imagination.
Not idle indecision, but by energetic initiative.
Not depravity, but by moral maturity.
This requires value centered living.

By coming together through the Forthright Foundation,
We can realize our invitation to Originate Best Outcomes.
This is our Salutation of Regeneration.
This is our Peace and Prosperity Proclamation.

In our darkest hour we have to learn our limitations but also our emancipation and sometimes we have to lose something in order to find ourselves. This is key to having a healthy notion about the good in the world and the good in ourselves.

The goal in the Forthright Foundation is that we share a common wealth of truth. The fruit of truth is being at ease with oneself and with the world around us, having tranquility, with consummate composure, to achieve freedom from worry, fear, or troubleness. By being in harmony with one's environment, we are supported and undergirded so we feel confident, defended, and upheld in the good life. We want all to be bestowed upon and blessed so all life is endowed with respect and made more hallowed.

Our goal is to be
Redeemed, restored, replenished.

Bettering the World by the Forthright Foundation

The Forthright Foundation is to be a resource for Motivation

Let us be keyed to ▲:

• Personal understanding • Personal discipline • Uplifting personal preferences.

Let us fulfill our need to remember by ▲:

Remembering understanding and action are the same thing. Remembering that where there is high-minded discipline there are always miracles. Remembering to have powers and preferences, by which we can make this earth and its social world a more decent place, a more sacred place. God our beloved Father is toiling to shape a 'people of divine destiny' – who have a hunger for destiny, a hunger for wholeness to fulfill Heaven's divine design.

"Every common bush can hold a flame of God's divine design and destiny, but only he who sees takes off his shoes, the rest stand around plucking blackberries"
– Elizabeth Barrett Browning

Let us be freed to gear up without fear by ▲:

• Skill and will • Avoiding turning into nill • Having joy to instill

When yielding, abiding and supplicating becomes our preference and our pre-eminence, joy becomes our passion and persuasion. We can craft it and we can impart it. By conviction and commitment then joy can lead us to a communication and collaboration with the Devine Nature, the Devine Consciousness, the Devine Plan!

Let us be agreed to ▲:

• No tyranny • Full participation • Profound reverence

The triangle of success, well-being, and goodwill.

Let the seed be ▲:

• Faith • Hope • Charity

The key to all frontiers is through virtue, and faith which releases our powers of vision and valor. Then comes the courage to be hopeful and helpful which open us to the generosity of heart, might, mind, and strength to be meek and lowly of heart with the humility of love. Charity moves truth, beauty and love, onward and upward. Joshua 23:6, Deuteronomy 31:23

Let us develop our need to find ▲:

- Meaning (seek)
- Fulfilling the full measure of our creation and having joy therein (ask)
- Moving truth, beauty and love onward and upward (knock)

When we seek answers by asking the BIG questions we approach meaning: to know what is to become of us! What do we want to have happen? What do I want to do? What does God our Beloved Father, wish to have happen? What can my judgement be unequivocal about? What will help me so I have not lost my way! I want to find my best future.

When we ask for personal commitment we are asking for personal empowerment. Empowerment is a choice involving the power of self-determination. Compose a personal charter. Decide it! Joy is self-sustaining. Joy is attaining!

When we supplicate, submit and surrender we knock on Heaven's gate. We see it for what it is…it is what it is! ***It is first things first.***

Let the lead be ▲: (Assurance leads to endurance) the 3 M's of literacy

- Moral literacy
- Mental literacy
- Maintenance literacy

These 3 answer the questions: How do I get respect? How do I give respect? How do I maintain respect?

"A lot of what life is about, is about upkeep." – Ira Holbrook

Let the deed bespeak our lofty determination ▲:

- Full fortitude, forward looking – change to the consolation of self-fulfillment.
- Full inclusion with resolution – make a truce to not reduce but increase our goal's zenith.
- Full initiative with firmness and persistence – to end and mend the harm, to become a benefactor.

Do all of the Re's – Repentance, realignment, reunion, resilience, and renewal. Recall, do it all. Go to it and do it. Reap the all in all. Reap and repeat. Best of all, become our best self.

Let us feed on the good word of God ▲:

• The All in All • All towards living our best life in which the vessel is the victor. Prepare to ever receive enlightenment. We may need to rediscover the trailhead even after frequent climbs. Continue to live our best unfolding. "To become the fulfillment of all holiness and purity, we cannot live one day without Divine Direction" • All to receive Salvation!

Let us, in all candor, be soundly securing our soul by receptively seeking eternal serenity and sanctity of heart.

This transformation occurs as we do all of the best Re's we can imagine. It takes a lot of imagination to be moral.

As we live this longing for God's love we move our capacity towards reconciliation. We find that duty does things well, but love does things beautifully. The greatest loss in the world can be the loss of human potential. By loving our life, our potential is increased. We open to all openings, by enlarging potential for other's best good, wanting to help everyone magnify their gifts and talents to their fullest capacity. We are eager to help them achieve their optimum satisfaction and want them to receive the righteous desires of their heart. (That is what 'Zion Mentality' is all about).

Let us live more abundantly for everyone, so we find out more about ourself. That is the great Christian Paradox. Loose our life in a great cause, in service, in going the extra mile, and we will find our life, and find more fullness in ourself. We will have life and have it more abundantly. In fact we will impact, impart, improve everyone for the good.

THE USEFUL RE'S INCLUDE:

To replentish, retrieve, replace, recharge, regard, repair, rebirth, renew, reflect, rededicate, rebound, resolve, reconcile, recondition, rectify, revamp, retain, remember, receive, recognize, release, recompose, rehabilitate, revive, respond, require, resuscitate, resituate, repay, reply, redirect, remorse, repent, relinquish, reaffirm, reclarify, revise, realign, reshape, refine, recharge, rest, re-enchant, rejuvenate, relume, resume, build resilience, replenish, reattribute, refocus, refortify, go for results, and rejoice.

As for now, we live in a pragmatic world, a world of consequences, a world of break throughs and a world of tangibles. The work of the world is accomplished in specifics. ***Now is our moment to realize the dreams of our heart!***

We realize our dreams when they coalesce around gratitude.

Gratitude means

Asking, listening, receiving, rejoicing in the quest for answers. Rejoicing through a willingness to move from problems to solutions. All progress, enlightenment and healing brings forth the best gratitude.

Gratitude means

Having good boundaries, coming from an honest heart, from making apologies, from being obedient, and from being disciplined.

Gratitude means

Mutual collaboration, by using reconciliation and peace making; to build bridges of understanding and friendship to form better mutual-understanding and mutual-acceptance. Let us benefit from mutual gratitude = from developing a spiritual citizenship and commitment to dynamic living = from the practice of true religion: ***sacrificial love*** = and from preparation, through education, academic mastery for self actuating acuity, which enlarges gratitude, with the humility for respecting and using tools.

Gratitude means

Being apart of hope – valuing others. If we have wronged the world we must stop. We can renew, reconsider, repent and refine. Hope comes from being valued.

Gratitude means

Being a non-perpetrator, sharing in community tranquility, and building a life as a moral activist and guardian – as a steward of decency and destiny.

Gratitude means

Harboring no ill will, only goodwill.

Gratitude means

Walking lightly upon the land, as a preserver and repairer of the breach between nature and man; regarding with reverence, all living systems; being a naturalist – full or wonder.

Gratitude means

Moral bravery, which conquers fear or anger and overcomes confusion with moral courage.

Gratitude means

Improving upon our gifts and talents and does require;

- Our carefulness, resourcefulness, and energy management and thrift.
- Our simplicity of life style, reflecting conservation.
- Our daily self-renewal, so that we can be more self-reliant and reliable. Reliability improves as we create meditation for personal processing and self-energizing, all in conjunction with good food and proper rest.
- Our willingness to self-correct and correct circumstances, learning from mistakes, taking correction cheerfully, accepting and applying correction with integrity.

Gratitude means

Having empathy for others so that mutual gratitude blossoms into a fuller recognition and new appreciation of one another's terrors, primary dreads, and needs, sorrows, hurts, desires, and possibilities as opportunities for spiritual growth.

Gratitude means

Devotion to give help and service to all other folk. A generous creative person will be able to reach out, out of confidence, competence, and adequacy, to benefit others.

Gratitude means

Knowing the difference between ownership and possession.

Gratitude means

Having a thankful heart, being appreciative, gracious, honoring the goodness in and from others. Gratitude is a part of the creative process for everyone. Gratitude can be inspired by the arts and artistic expression. Elegance reflects our gratitude. Sports and the good character it can generate reflects our gratitude.

Gratitude means

Living "privileges" by turning promises into privileges into solutions of joy.

Gratitude creates our destiny!

May we live these 34 Ways that Implement Self Value, Inner Peace & Prosperity

This is Our wish to all from the Forthright Foundation

1. *"As long as we make right choices, we progress."* — David Moore Gibson
   Let's implement right choices

2. *"The lessons of life are learned against resistance."* — David Moore Gibson
   Question: How many pearls would there be in those oyster shells without those grains of sand in there? Let's implement Dr. Robert Shuller's classic statement, "turn scars into stars"

   Let's implement great life readiness.

6. Learn to operate within limits. Develop and observe good boundaries. Have respect for helpful regulations. Make a friend of following procedures. Develop temperance, moderation and self-discipline. Let's implement kind-heartedness and due-diligence.

9. Incorporate positive life affirmations.
   I'm a person of worth,
   I am of infinite value.
   I'm a unique, somebody special.
   I am to be loved.
   Let's implement positive affirmations.

10. What we understand is ours – to tend and to be responsible for. Understanding and action are the same thing. Let's implement understanding.

12. Misinformation and misperception = misconnection.
Let's implement correct perceptions for best connection.

13. • Be an 'audacious asker' Be a truth seeker.
Care to know, "Ye have not because Ye ask not." — The Apostle Paul
• Joy honors truth.

• Let's implement the biggest truth we can find.

14. Every life is born to contain a dream and Heaven does not give the human heart a dream without also giving to it the power to make it come true. Hold onto your dreams. A life of certainties is not possible. Only dreams are possible. Let's implement our dreams.

15. Virtues and values are names we give to BIG realities such as faith, temperance, honesty, charity, kindness, tolerance, love, patience, good will, chastity, obedience, trustworthiness. We are only as BIG as our biggest reality and for now, Christ and God have left us alone, to absorb realities. Let's implement moral purity, courage and cleansing.

16. The emphasis of Heaven is upon the individual. Each person has a unique destiny all one's own. Life follows best when we are building upon our strengths. Let's implement our personal strengths.

21. Change rude, crude, and defiant into being in a better mood, with a changed attitude, pleasingly self-reliant. Let's implement better behavior and an uplifting attitude.

22. Choose what is trustworthy. In order to receive guidance we must trust in capabilities higher than our own. Trust in the Sire of our soul. Let's implement honor and trust.

23. Pray regularly. "Check in often" is an anonymous prayer contributed by Ron Dewaal:

    Our Universal Prayer
    O God, give me love to live another day; let me not turn coward before its difficulties or prove recreant to its duties; let me not loose faith in myself, in my fellowmen or in Thee. Keep me sweet, sound of heart and appreciative in spite of my weaknesses or others ingratitude, treachery, or meanness. Preserve me, O my Father, by minding my little stings and my tortured strivings. Help me to live so honestly and fearlessly that no outward failure can dishearten me, or take away the joy of conscious integrity. Open wide the eyes of my soul, that I may see good in all things. Grant, this day, some new vision of thy truth. Inspire in me thy spirit of joy and gladness, and make me a cup of strength to suffering souls. All this I ask in the name of the Strong Deliverer, Jesus Christ.

    Amen

24. "Let go and Let God" God has a place for each of us. He knows how to make us happy. Let us make ourself available to Him: submit, supplicate, and surrender. For those faithful, God will turn all things to one's benefit and advantage. Live in harmony with His glory i.e.: peace, joy, love, holiness, and purity. Let's implement God's pleasure.

25. Exchange all of our burdens for Jesus' burden: Redemption. Let's implement recovery, redirection and reformation.

26. Find home, come home, feel at home, where we can live the abundant life. Let's implement home, where we can enjoy full participation in life's bounties.

27. Remember to learn from loss. There is nothing more convincing than suffering. "Will" is holy – suffering invents "will." Grow from struggle and striving into humility. Humility reigneth. Let's implement strong humility.

28. "Above all, to thine own self be true" — Shakespeare. Being true to our best self is a great way to start anything. Let's implement "best self" beginnings.

29. Redo our errors: Have remorse, do reform, do restitution, restore, reconsider, repent, reinvent, recover, rebuild, renew, and refine. Let's implement recovery and reconciliation.

30. Long term success requires priorities and "time-balancing". Always take time for proper respect and good judgment and citizenship. Let's implement due diligence.

31. Each day is sufficient unto itself. Guard all living systems. Live simply, caringly, and carefully. Don't deface, devalue, or destroy the wonders of mother earth. Let's implement reverence. Let's walk softly upon the earth and care for all living systems.

32. "No community is stronger than its people and no people are stronger than their philosophy." Let's implement a moral code, and support high community standards.
